

2 Bowl Challenge (King of the Hill)

A challenge for 7 to 23 players

Learning Outcome:

1. First bowl effectiveness

The Game:

- ✓ 2 Bowls per player
- ✓ 2 or 3 players on outside rinks, 3 players on central rinks
- ✓ Mat on the 2m mark, jacks full length
- ✓ Players draw with 2 bowls, if jack is moved more than 2 mat lengths it is returned to its original position.
- ✓ After each end players move:
 - Centre rinks – winner moves one rink towards rink 1, player with next shot stays, the remaining player moves one rink towards rink 8
 - Rink 1 - Winner stays loser moves one rink. If there are 3 players on the rink the second player also stays
 - Other end - rink winner moves one rink towards rink 1
- ✓ Play is in one direction only
- ✓ Coach changes length of mat and/or jack every few ends.
- ✓ Play to set limit - time or ends
- ✓ Winner is the player who wins the last end on rink 1.
